

TechMart Electronics - Product Catalog Overview

1. Smartphones: We stock a range of Android smartphones across budget, mid-range, and flagship categories, from brands including Samsung, OnePlus, Xiaomi, and Apple. All smartphones come with a minimum 1-year manufacturer warranty.
2. Laptops: Our laptop range includes options for students, professionals, and gamers, with configurations starting from 8GB RAM/256GB SSD up to high-end gaming rigs with dedicated graphics cards.
3. Televisions: Available in LED, QLED, and OLED variants ranging from 32 inches to 75 inches, with Smart TV functionality (Android TV or WebOS) on all models above 40 inches.
4. Home Appliances: We carry refrigerators, washing machines, microwaves, and air conditioners from major brands, with energy ratings clearly listed on each product page.
5. Audio Devices: Includes wireless earbuds, over-ear headphones, Bluetooth speakers, and soundbars, with noise cancellation available on select premium models.
6. Wearables: Smartwatches and fitness bands with heart rate monitoring, SpO2 tracking, and up to 14 days of battery life on select models.
7. Product Availability: Stock status is shown live on each product page. Out-of-stock items can be tracked using the "Notify Me" button, which sends an email/SMS alert when restocked.
8. Product Comparisons: Use the "Compare" feature on any category page to compare up to 4 products side by side on specifications, price, and customer ratings.
